Laura -

What an amazing weekend!! From Saturday morning of the recovery walk to fellowship, stories, music, testimonies, getting rebaptized and feeling God all around me, meeting Ben Fuller and surrounding myself with believers! God is so good! No matter where you're at in life God has you! He is ready for you to come back to Him! We are all on a path and when we pray for each other it takes off pointing fingers at one another, finding that each day God will turn darkness into light that He is who defines me and not this world or the people in it! If we got Jesus we have it all!

A Sweatshirt of Hope 24 participant -

I have a very distant relationship with my family because of addiction in our family. I found out where my dad was working so I took a half dozen donuts to his place of employment. I gave my dad the donuts and told him he should come to Sweatshirt of Hope 24. He was able to take a lunch break which was unusual so he came to Sweatshirt of Hope 24. He spent some time with me on Saturday and we both had a chance to listen to Darryl Strawberry share his testimony. **ITS ALL GOD!**

Sweatshirt of HOPE
God Loves You!

Why give a hooded sweatshirt?

Many times, people who are struggling will wear a hooded sweatshirt to hide the hurt, pain, and the shameful scars of disappointment.

We offer Hope and a message that GOD LOVES YOU no matter your past.

A sweatshirt is a non-threatening vehicle that will start a conversation about HOPE.
